PRESENTING- *“So Close To Our Hearts”*
STARRING- *Dedication*

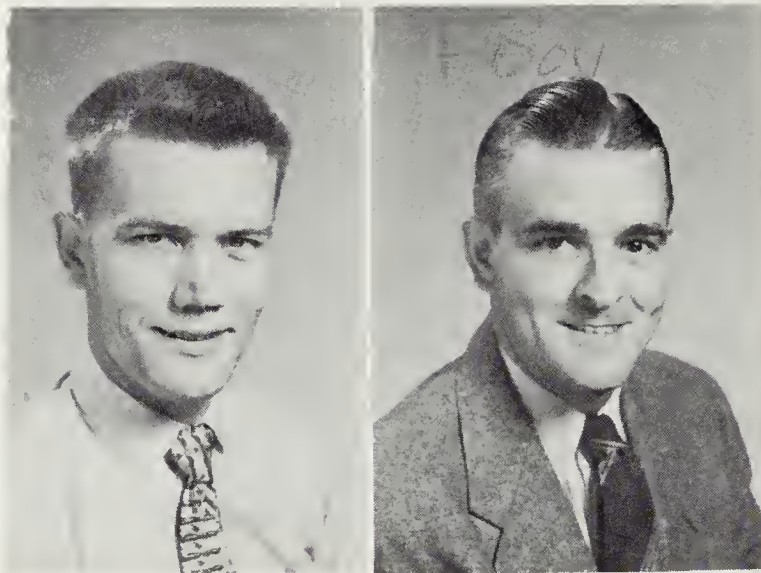

Through her outstanding personality and lovable ways, she has won all our hearts. For her patient understanding nature, never-ceasing kindness, and gracious manner, she is loved as a teacher as well as one of the best friends we will ever know. She is known by an ever-present warm smile, a fun-loving heart, and a willingness to work with us and for us. Her greatest weapons are a soft spoken word and a twinkle in her eye. She has the extraordinary ability to meet people with an open mind and heart. She has gained our love and respect in still another way--by her reverent heart toward God and the truly good and pure things in life. Because of all these singular characteristics, we proudly dedicate this our 1954 REFLECTOR to Miss Zona Landes.

Class History

Our Senior class began in 1943 with Betty Wilkerson, Margaret Owens, Evelyn Hill, and Shirley Carper.

The following year Rod Owens and Charles Lewis joined the class. Mary Paxton came from Boys' Home to Dunlap in the third grade. Later, in the fifth grade, Shirley Dilley, Charles Groves, Mary Gray, Barbara Moore, and Annabell Smith came from Callaghan School. Helen Perkins came from Covington the same year. Mary Baxter joined the class from Kentucky in the sixth grade; then we were joined by Bobby Drummond. When we got to the seventh grade Betty Snyder, June Carter, Elizabeth Carter, Bob Cooke, Julian Cooke, Bill Howard and Herndon Crosier were added from Hunter School. Gerald Bratton also came in that year from Gap Mills.

In our freshman year Ray Armentrout came to the class from Falling Springs. Charles Lewis, Herndon Crosier, Bill Howard and Charles Groves left the class while we were sophomores.

The year we were juniors we gave the Junior-Senior banquet at the Silver Arrow. The same year Annabell Smith, Barbara Moore, Mary Gray, Rebecca Lewis, and Bobby Drummond left the class; then Dale Bratton joined us.

This year we have had, in addition, Eddie Ray Alfred and Stuart Dameron, making nineteen members in the class. Our biggest jobs this year are the publication of our annual and production of our play.

We elected class officers that we thought best leaders of our class every year throughout the four years of high school. This year they have been:

June Carter, President
Ray Armentrout, Vice-President
Shirley Carper, Secretary and Treasurer
Betty Wilkerson, Class Reporter

June 9, 1954, our graduation day, is the day we have been looking forward to, yet dreading since we were freshmen. With a mixture of joy and sadness in our hearts we must say farewell to Old Dunlap. We wish to express our thanks to everyone that has made this wonderful day possible for us.

Class Historian, Mary Baxter

Class Prophecy

As I was sitting alone in my study last night, I heard a harsh, croaking voice. As I looked up, there perched in the window was a raven. As I turned back to my desk the raven started talking and here is what he came up with:

Two of the 1954 Seniors are working at the paper mill. Bob Cooke is chief chemist and his latest discovery is making gold out of rubber. SO WHAT? Rod Owens will spend the next fifty years at the paper mill where the machines can outrun his mouth.

Doctor Shirley Dilley has just performed her first operation. Funeral arrangements for the patient are incomplete.

Mary Baxter and Mary Paxton are employed at a slaughter house in Texas----they are really shooting the bull.

Eddie Alfred has opened a pool-room and is really behind the eight ball.

June Carter is teaching Harry Truman piano. Such a job!!!

Ray Armentrout is starring with a pro football team, the "Greenbay Packers." Ray is official water boy and bench warmer and is doing a really wonderful job at it.

Margaret Owens, suffering from a lonely heart, has organized a "Lonely Hearts Club." That is how she has kept in touch with her classmates.

Betty Snyder is a Physical Education teacher and is treating the kids as she was once treated.

Stuart Dameron and Julian Cooke are playing with Ringling Brothers. Stuart is the short fat guy and Julian is the heavy-weight champion.

Gerald and Dale Bratton are ace fighter pilots in China, and have twenty planes to their credit. (They were all shot from under them.)

Evelyn Hill is private secretary to the President of the United States and Helen Perkins is secretary to the Secretary of State. (We did have two smart ones in the class.)

Elizabeth Carter has formed a one man hunting club. Good hunting, Elizabeth.

Shirley Carper has settled down with a steady job as a model with "Esquire."

Betty Wilkerson is starring with the "All American Redheads" and is going to the games in a new Cadillac.

"Thus ends the revelation of the class of 1954," said the raven as he flew from his perch. He went out the window and I have not seen him since. As to the truth of these revelations, . . . time, the great revealer, can alone answer that.
